## **Welcome**

### **Opening prayer**

Father, we thank you so much for this time. We pray that you send your spirit to lead and guide us. We pray that you would stir up inside us a greater and deeper faith, knowledge of you through your word, through communion, and through your presence in this place. Help us to set aside everything and focus on you. We pray this in Jesus' name. Amen.

### **Communion prayer**

We thank you Lord God that you are present in this place. We thank you Lord, you have gifted us in so many ways, we ask that you stir up in our hearts that we give back to you. Whether it be through the use of our time, the application of our talents, or the giving of our treasure. Lord, help us to serve you and to serve the world around us. Help us to love our neighbors more fully. Help us to trust you, that we can reach out and minister to others. And Father as we move into this meal, we pray that your spirit would guide us. As we receive the bread and the wine, let them be a sign that points us to Jesus and the life he gives us now. We pray this in Jesus' name. Amen.

Father, we thank you so much for your presence with us and as we go out of this place, we pray you continue to lead us.
