...our Pastor

In May I mentioned that we'd start sermon based small groups this fall.

Here are some details:

**The Goal** – get people together to study God's Word and build relationships.

**How?** Around mid-August through the Sunday after Rally Sunday, I'll have sign ups out to either host a group or sign up to be a part of one. The reason for the timing is to make sure those that "come back" after the summer have a chance to learn about it and sign up.

**What will hosting a group entail?** Very simply – providing a space to meet. Maybe you'll want to facilitate the group or maybe someone else in the group will facilitate. Speaking of that...

**What does facilitation look like?** Each week, I will type up a series of questions and scripture citations related to the sermon (hence: Sermon Based Small Groups). The facilitator in the group (and it could also rotate each week) will lead the group through the questions. Very easy! You do not need to be a Bible scholar or have experience leading studies!

**How often, then?** The small groups will meet weekly. The host isn't expected to provide refreshments; depending on when your group meets, you may want to rotate bringing food/snacks/etc. You could also meet each week over a meal at a restaurant. But I want this to be easy and accessible for everyone involved.

I will start to publicize this more next month with the goal of kicking off a couple of weeks after Rally Sunday in September.

Blessings,

Pastor Christian

## **BOARD of TRUSTEES**

### **June 8, 2025**

Call to Order: 11:52. Those in attendance were Jared, Kevin, Cole, Joel, Wes, Chris, Amy, and Christian. Melissa joined for part of the meeting.

Secretary's Report: Jared made a motion. Chris seconded. Motion carried.

Treasurer's Report: Wes presented the treasurers' report. Expenses were higher this month since this was a three-payroll month. Giving is down significantly so far this year compared to the last two years. We are still in a decent spot, but we need to make sure to continue to monitor over the next couple of months before it becomes a major concern. We may need to work with the Board of Stewardship going forward to help share. Jared made a motion and Chris seconded. Motion carried.

Mowing – Jim has started mowing and Allie is continuing. They have been doing a good job keeping up with all of the mowing that is required. Ongoing Events Calander - No update. Signage – Pictures of the sign on the south end of the church were sent in for a proposal. Solar panels – Met with a solar company to look at locations and size requirements of the solar panels needed. There are multiple options in sizing and pricing points that need to be discussed and thought through before a decision can be made. Proposed to have this information shared at the Church Council meeting for direction. Youth on Fire – Discussed the desire to have this position but the need to weigh it out with the current financial situation. Bus Settlement – A response letter was drafted to be sent back

to the insurance company rejecting and countering the offer. LRFPC – Continuing to get people identified and on board with joining the committee. Goal is to have the first meeting in August. Benevolence tracking for camp – Voted to pay for half of the camp cost as we have in previous years. Jared made a motion, Chris seconded; a vote was taken and passed. HVAC Maintenance – Continuing to work through the existing equipment. Can Trailer – Need to find help with the can trailer. Need to put a message in the bulletin and the announcements to try and find help. Damaged windows – One of the windows is ordered. Verifications on the other window need to be completed to order. Stump Grinding - Equipment broke down but hoping to be completed in the next week. A/V Equipment – Received a proposal for the A/V upgrades requested to support worship services. The Trustees agreed to propose this as a fundraising goal for the Silent Auction. Benevolence – Propose having people submit their request for benevolence the month before it is dispersed so that we can be intentional with the giving. PCC – Melissa McClaren joined the meeting to let us know that she is taking over as the interim director of PCC. Jared shared that they are looking for more board members and that if Melissa takes over as the permanent director, they will need to find a new board president. Working with the licenser to make it clear what is required to add kids and younger ages.

Next meeting is on 7/9 at 6:00pm. Chris made a motion to adjourn. Kevin seconded. Motion carried. Meeting ended at 2:04pm. Closed with the Lord's Prayer.

Respectfully submitted, Cole Tobin

## BOARD of EDUCATION June 12, 2025

### VBS

- Need a more robust behavior management for older kids next year. We feel a strong male presence would be a positive choice.
- Advertise in local parades.
- Advertising options – send info to elementary/middle school?
- Move to last full week in June to avoid the start of summer rush.
- Music time went EXCELLENT!
- Everyone loved the videos and bible buddies.

### Fundraiser

- Pancake breakfast isn't what it used to be. Considering doing a brat stand instead. Will discuss at future BOE mtg.

### Walk-a-thon

### Classrooms

- We would like to spruce up the decor in the classrooms. Missi to reach out for info on when painting is expected to be completed so the BOE can coordinate a day/time to get 'er done.

Respectfully submitted, Missi Blegen

## BOARD of STEWARDSHIP

June 22, 2025

Present – Bruce Ashlin, DeAnn

Ashlin, Sue Gillis, Kathy Miller, Kathy

Paulson, Heather Serier.

Chairwoman Heather Serier called the meeting to order at 9:15am. Bruce Ashlin led devotions. Sue Gillis will do devotions in July.

We continued our discussions of the Sept. 7 Ministry Fair and the October Re-Commitment Sunday. Bruce will write a letter to go out by email to the heads of committees/boards/etc. explaining what is expected of them for the Ministry Fair. DeeDee will take care of emailing it to all those people. Our purpose is to let everyone know what is available to participate in here at Peace.

Re-Commitment cards are still under discussion. How do we get updated contact information from members but have a better return on investment in the cards we usually send? We are still discussing QR codes, those folks who don't use computers/phones wouldn't know about QR codes, and other related items.

Heather has designed business cards and a triple fold handout to inform people about Peace. The business cards would be used at parades and similar events. The tri-fold brochure would be available at the usher stand to be given to visitors and prospective new members.

We thank Robert Rust for setting up an email for the Board of Stewardship.

Next Stewardship meeting is July 13, 9:15am. Sue will do devotions. Next Council meeting is July 15, Bruce will represent Stewardship.

Respectfully submitted, Kathy Miller, Secretary

**THANK YOU!**

Terry and I wish to thank everyone at Peace for your support in prayer, your well wishes, and your hands-on help in the cleanup after the tornado that hit our property and buildings. We are so grateful to be part of a community of believers that holds each other up when someone's chips have fallen or when a need presents itself. We are now beyond the cleanup stage from the crushed pole barn, coops, and green house. If anyone is interested in box elder wood chips, we have huge piles made from the fallen trees.

The replacement phase has begun. Terry's new chicken coop arrives mid-July. The pole barn construction is set to begin in September. Repairs to our large pole barn have yet to be determined. All is good. We realize much worse could have happened. God would still have been our Savior. As it is, too many coincidences have happened not to see this as a miracle in the making. From the destruction, through the cleanup, to the rebuilding, God has/is present in his creation. More specifically, God has shown his mercy and blessing to us in real time. And Peace Lutheran is part of that blessing to us. Thank you for your love and aid. Thank you, God, for your hand at work in this world.

In Gratefulness and Thanksgiving, Jeff Hogden and Terry Wilson
