TEXT TO GIVE - Text to Give at Peace is live! There are a couple of ways to set it up. One, you can text the following message "Give [insert amount]." So, you might text "Give 100" to make a \$100 offering or "Give 40" for a \$40 donation. The number is 855-425-6361. When you text that it will ask for a debit card, which will only be required the first time. Future texts will draw from that card but still ask you to confirm. Or scan this QR code. Scanning the code will open up the text messages and fill in the number automatically.
