Confession and Forgiveness

P: There is no condemnation for those who are in Christ Jesus.

C: For the law of the Spirit of life has set us free in Christ Jesus from the law of sin and death.

P: Jesus says, "Unless one is born again, he cannot see the kingdom of God."

C: In baptism, we are born of water and the Spirit.

P: And still we turn from God, ignore the guidance of His Spirit and try to turn back to sin and death. Take a moment to reflect on how you've done that, this week.

(silence for reflection)

P: Let's pray together,

C: Lord God, we confess that we have lived according to the flesh. You have given us new life through water and the Spirit, but we return to old ways of thinking and living. You declare that there is no condemnation in Christ, and still we live as though we are bound by sin and death.

We set our minds on earthly things and fail to trust in Your Spirit who gives life and peace. Forgive us for our sins. Have mercy on our brokenness. Help us to remember your grace and live by it. Set our minds on the things of the Spirit and lead us to walk in the life You have given us.

Amen.

P: Jesus told us that "God so loved the world, that He gave His only Son, that whoever believes in Him should not perish but have eternal life." In Christ, there is no condemnation. You have been born of water and the Spirit. The Spirit of Him who raised Jesus from the dead dwells in you and gives you life. Your sins are forgiven for His sake. Walk in the freedom and life of the Spirit.

C: Amen.
